Application Fee: A non-refundable application fee of \$130 is required for each new application for admission. Returning families are exempt from this fee. Families will not be contacted for interviews until the application is submitted and the fee has been paid.

Enrollment/Tuition Deposit: The enrollment deposit secures a student's spot in the classroom and will be credited toward the last month of enrollment for the school year. For re-enrolling families, half of the deposit is due after completing the re-enrollment form in Playground, on or before March 25, 2025. The remaining balance is due on or before May 9, 2025. For new families, the deposit is due in full upon acceptance or within one week of the acceptance date. Our terms and conditions and financial guidelines may be reviewed [here](#).

New Family Registration/Enrollment Fee: A non-refundable registration fee of \$300 per new family is due upon acceptance and enrollment. Returning families are not required to pay this fee.

Supply Fee: The supply fee varies depending on enrollment options (see chart above). It is due in two installments: the first half in July 2025 and the second half in January 2025. For mid-year enrollments, the supply fee will be prorated and due upfront. The supply fee is non-refundable. *Alternative installment arrangements are available upon request. Please contact hannah.alsdorf@bayouvillageschool.org for more information.*

Facilities Fee: The facilities fee is \$410 for families with one child and \$480 for families with two or more children. This fee is due in two installments: the first half in July 2025 and the second half in January 2025. For mid-year enrollments, the facilities fee will be prorated and due upfront. The facilities fee is non-refundable. *Alternative installment options are available upon request. Please contact hannah.alsdorf@bayouvillageschool.org for more information.*

Tuition Payments: Remaining tuition is due in 8 or fewer installments through a tuition payment plan in Playground beginning in September and due on the 9th of each month. Families may pay in one installment upon requesting and will receive a discount of 1% of total annual tuition. Enabling automatic payments is required unless alternative arrangements have been formally made. For paper checks, there will be a \$5 fee per check after the first two.

Late and Returned Payment Fees: If payment is not completed or enrollment/billing information is missing after seven days past the due date, a \$35/day fee may apply, up to a maximum of \$350. Bayou Village School reserves the right to amend a student's enrollment for non-responsiveness or incomplete agreements and may offer the spot to another family. A \$10 fee applies to returned payments. Additional fees may apply for non-payment or non-responsiveness. Families experiencing financial difficulties can request an extension by contacting hannah.alsdorf@bayouvillageschool.org. Families who do not make formal arrangements will be subject to late fees.

Instrument & Field Trip Costs: Instrument training begins in 1st grade for our Grades students, and field trips are held throughout the year. Costs for instruments and field trips vary by grade. Families will be notified by Administration of any associated costs.

Sibling Discount: We are committed to making our school more affordable for families with multiple children. The following sibling discounts apply:

- 2 children: 15% off the lowest tuition
- 3 children: 25% off the lowest tuition, 15% off the second lowest tuition

Sibling discounts are applied as a total to the annual tuition (which includes the enrollment deposit) to the remaining 8 months of tuition, if paying in 8 installments, after the enrollment deposit is paid. This means your enrollment deposit will be paid in full, without a discount, and the difference in credit is applied to your tuition total for the remainder of the year. The sibling discount will be added to a family's billing account no later than September 1st, 2025.

Tuition Assistance: Bayou Village School is dedicated to supporting families from diverse economic backgrounds who seek Waldorf-inspired education for their children. Children enrolling in our Kindergarten and Grades programs are eligible to apply for assistance. *For more information on how to apply, please contact hannah.alsdorf@bayouvillageschool.org.*
