

Bayou Village School Before and Aftercare Registration

Please select which before/after care option you'd like by circling your selection on the matrix below. We cannot accept your child into our extended care program until this form has been filled out and turned into the office.

The option you choose will be repeated each month and be automatically billed unless notified otherwise of a cancellation in your needs for extended care. You are also free to change your monthly option if needed at any point in the school year with at least two weeks notice of the start of the following month. These changes can be emailed to our Enrollment Director Maryoceane at enroll@bayouvillageschool.org. Before care is for students needing drop off before 8:30am, as early as 7:15am. For After Care, parents are free to pick up their child anywhere between 3:30 - 6:00pm for the flat rates below. Your pick up times may vary from day to day or week to week and are up to your discretion. Families who do not need regular before or after care each week have the option to purchase our Extended Care Punch Card which is good for 10 before/after care drop ins. The cost of this card is \$150.
